FREEDOM TO CHOOSE

SOCIETY

WHY ed CHOICE

The EdChoice mission is to advance educational freedom and choice for all as a pathway to successful lives and a stronger society. We educate, train, and engage parents and policymakers in order to give all students access to universal school choice. EdChoice proudly advances educational choice as the intellectual legacy of Milton and Rose Friedman who believed that all parents should have access to high-quality educational options.

EdChoice's **Freedom to Choose Society** is an exclusive group of advocates committed to our shared mission of advancing educational freedom and choice for all as a pathway to successful lives and a stronger society.

By joining the Freedom to Choose Society, you are empowering every family in America to choose the schooling environment that fits their children's needs best.

I hope you consider becoming a member. We don't have a minute to lose in the battle for individual liberty and education freedom—so that we can ensure a brighter future for our children.

Annual contributions over \$2,500 to EdChoice confer membership in the Freedom to Choose Society.
